

Non-toilet trained students

For hygiene reasons, if your little one is not toilet trained, they **must wear** a **reusable swim nappy** whilst in the pool. For your trial, a disposable nappy such as the Huggies Little Swimmer nappy is fine, however if you choose to enrol, you will be required to wear the reusable swim nappy that we provide in the enrolment pack. Unfortunately **disposable nappies are not designed** to hold all of the contents of an accident. (Disposable nappies can be worn underneath the reusable swim nappy)
